WE BEG TO ANNOUNCE that we have been appointed Sole Agents for the sale of the above Patent Tie in Virginia and North Carolina.

The satisfaction it gave last season wherever used, warrants us in recommending it as the best tie yet introduced. It combines the advantages of great strength, great simplicity and ease in manipulation, besides the difficulty of taking up the slack of the band in the operation of baling, is entirely of plated.

We shall have our supply direct from the manufacturer in England, for delivery in July or August, and at lowest market rates.

NEW GOODS! NEW GOODS!!

AT

Creech's.

I MAKE MY BOW AGAIN TO MI NUMEROUS friends and patrons, with a house full of goods and still they come.

Why, just look, the streets filled with drays all loaded with new Good's.

FOR CREECH'S.

Just received, 51 CASES OF DRY GOODS, containing a large and varied assortment; and when you talk about Dress Goods, and when you think of new styles and speak of Goods at the right prices, why, bear in mind that they are here and now opened at Creech's. COME AND LOOK AT THEM.

CALICOES, CALICOES.

I will sell you Calicoes at 8 cen s per yard; want you look at them at 10 cents? and can you afford to buy them at 12½c.

Goods for Men's and Boy's Wear.

Don't you know that I keep the best assortment in the City? You that do not know it, come and look at them and to you that do know, come right along and buy what you want. I have got some for the boy's, plenty for the youth's. A fine supply for the young men and enough to keep the old gentlemen warm, so why not spend a few moments at Creech's and satisfy yourselves?

There the remote Bermudas ride
In the Ocean's bosom unespied;
From a small boat that rowed a-long
The listning winds received the song.

COME TO CREECH'S.

Cloaks and Shawls, Cloaks and Shawls,

Did I say Cloaks and Shawls? That is just what I mean. Why I will sell them to you for $2.00! Do you want them cheaper? same quality. Cant find them? Do you want them finer? I am just the man that has them. 5, 7, 8, 10, 12, 15, 20, 25 and 30 dollars, do you want them finer still? Just say so, and I am the man to order them.

Boots and Shoes, Boots and Shoes.

Just received 100 Cases for Ladies, Misses Boys and Children; so just put that naked foot into a boot or shoe, for it will soon be cold weather, and my friend, I see your boots are wearing out, and your shoes have a hole in them, so you had just as well come to Creech's and buy a new pair. They look better and fit better, any way; they keep your feet dry and preserve your health.

Hats, Hats, Hats.

All right! Prices right; Styles right; and did you know that Creech's is the place to buy hats right? Come and look.

Ladies' and Misses' trimmed and untrimmed Bonnets; Would you not do well to spare a few moments and come and look at them?

I beg leave to return my sincere thanks for the patronage I have received for the last 20 years at your hands and I hope, by strict attention to business, representing goods as they are and in every instance giving you the worth of your money, to continue to share a liberal portion of your patronage

CONGRESSIONAL CANVASS.

John Manning, Jr., Esq., the Conservative candidate for Congress, Hon. Sion H. Rogers, Hon. A. S. Merrimon and other distinguished Speakers, will address the voters of the 4th Congressional District at the following times and places:

Smithfield	Nov. 19
Nashville, Nash county	" 21
Durham's, Orange county	" 23
Brassfields, Granville county	" 25

Every Conservative should go to the polls on SATURDAY 26th inst., and vote for John Manning, Jr., for Congress and Dr. Dunn for the House of Representatives from Wake.

GENERAL ASSEMBLY OF NORTH CAROLINA.

The two branches of the General Assembly met in the Capitol on yesterday.

At 11 o'clock Lieut. Gov. Caldwell, called the Senate to order. The roll was called by the late Assistant Clerk and thirty seven members answered to their names and were qualified.

The Senate then proceeded to the election of its officers, when W. L. Saunders of Orange was elected Principal Clerk, H. A. London, of Chatham, Assistant Clerk, and J. J. Roberson, of Craven, for Principal Doorkeeper.

The House was called to order at 12 m. by the former Clerk, Mr. John Boner. The roll was called and ninety three members responded to their names. The House was organized by the election of T. J. Jarvis Esq., Speaker, W. W. Gaither of Caldwell, Principal Clerk, and Kerr Craige of Rowan, Assistant Clerk, and Lewis Quin of Beaufort Doorkeeper. For particulars see reported proceedings elsewhere.

It is gratifying and refreshing to hear the roll called and responses made by men whose fathers and grandfathers, and even great grandfathers have in former days, answer to the same names. Last Legislature there were responses to the roll call of many names unfamiliar, such as Estes, Ladin, Sweet and a long list of others.—There are fewer of these, this time; they will not be heard at all, at the roll call of the next General Assembly. They supplanted in the list, for a time, such names as Gilmer, Morehead, Graham, Jones, Sparrow, Ashe and others, but the people, with a mighty uprising, have re-instated many of these names upon the roll.

Last session Cuffy Mayo and John Ragland answered, where a Gilliam, Amis, Littlejohn, Taylor, Canaday, Eaton or Henderson were wont to reply. There has been some improvement even in Radical Granville. Col. Hargrove is some improvement on Cuffy Mayo, and Capt. Lyon a considerable advance on John Ragland.

Last Legislature Galloway and French answered from New Hanover, instead of a Davis, Cowan, Hall, Wright, Waddell or Empy. This session there is a marked improvement from that county.

In short, at the last Legislature, the robbers, with fraud and sword, turned out the true men of the State; now the State rejoices that, by the force of truth and the voice of an indignant and outraged people, the true men have ejected most of the robbers. There is nothing strange nor wonderful in this; it is what will always result from the sober, second thought of a virtuous people, when left to the free exercise of their own judgment.

OUR CANDIDATE FOR CONGRESS.

Col. Manning, our candidate for Congress, was in the city, and stopped at the Yarboro' House, on Friday night. On Saturday morning he left by the early train for Smithfield, where he spoke on Saturday.

Mr. Manning will address the people at Oak Grove Township in this county on next Thursday, 24th inst., if he can possibly reach there; if not the appointment will be filled by some other speaker.

We have seen many gentlemen from Chatham county, who say they have yet to meet the first white man in that county who will vote for Joe, or even for "Dad," were he a candidate. They put Mr. Manning's majority at 1,000.

We are glad to hear of the good spirit prevailing in Orange for Mr. Manning. A very small portion of the $6,000 sent from Washington will find circulation in Orange; for, when the white Radicals get it they don't divide.

Let every good man in the district give one more day to his country; and one more rebuke to profligacy and vice, by going to the polls on Saturday next and voting for John Manning, Jr., for Congress.

CONSERVATIVE MEETING.

As briefly noticed yesterday, a large and respectable gathering of the Conservatives of Raleigh township took place at the Court House, on Saturday night.

The meeting was organized by calling H. P. Tucker Esq., to the Chair, and appointing Theo. N. Ramsay Secretary.

The meeting was addressed by several gentlemen. In addition to those mentioned in our brief notice yesterday morning, we may add, C. M. Busbee Esq. of Wake, Mr. Merrimon of Asheville, and some others.

The speech of Judge Merrimon was one of power and depth and was listened to with profound attention by the large crowd present.

The committee appointed for the purpose of drawing up ratification resolutions, reported the following which was unanimously adopted:

Resolved, That we ratify and approve the nomination of Hon. John Manning Jr., for Congress, and of Dr. J. B. Dunn, for the House of Representatives of the State Legislature, and we cordially recommend them to our fellow citizens of Wake county and the 4th Congressional district, as worthy standard bearers in the contest, and urge every good citizen to rally on Saturday next to the support of the ticket.

After the adoption of the resolution, the meeting, on motion, adjourned to meet again on Tuesday night 22nd inst., (to-night.)

Legislature of North Carolina.

SENATE.

MONDAY, Nov. 21, 1870.

The Senate met at 11 o'clock.

The President, Mr. Caldwell, proceeded to address that body as follows:

SENATORS:—The assembling of the Representatives of the people is always an event of great interest. It is especially so at a time like the present when so many are looking forward with fond hope and expectation for a removal of real or imaginary burdens which they believe are resting upon them.

I fondly hope Senators that the people of our beloved State may not be disappointed in their hopes and expectations, and that this branch of the Legislative department will apply itself assidnously to devise ways and means to improve the condition of their constituents and to restore the State to her former stand point of prosperity and greatness.

Much was done by your predecessors, calculated to advance the State in her onward march to glory and greatness if the intention of the law makers had been faithfully and honestly observed and their enactments properly executed; but candor compels me to admit that much also has been done which it were better had been entirely omitted.

It will be your duty, as it will doubtless be your pleasure to preserve the good and to correct the evil Legislation of those who have preceded you to throw around the laws such safe guards as will insure their enforcement and to make them so plain and just that the humblest citizen may thoroughly comprehend and cheerfully obey them.

Above all else I do most earnestly urge you to bear in mind that the peace of the State and individual rights *must be* preserved and protected at all and every hazard. The good of society imperatively demands that lawlessness and vice shall be repressed and punished, and that intelligence, virtue and industry shall be cultivated and suitably encouraged. Endeavor to make the strong, the wicked and the perverse know and feel that the law is a master, who will compel them to bow to its majesty and obey its commands; and to make the weak the victorious and the good put their trust in it as a friend more to be depended on than a brother.

If you accomplish this the people will rise up and proclaim you benefactors to the present and future generations, a new era of prosperity will dawn upon our State, and a fresh impetus given to the general welfare of our people.

I trust that you will pardon me for departing from what properly appertains to my duty, and allow me to suggest that you cause a searching and thorough investigation to be made into all well founded complaints of frauds and peculations which have been or may be preferred by responsible parties, against those into whose custody the great interests of the State have been committed. The people demand this at your hands, in order to vindicate the characters of such as have been falsely charged, and to bring to justice those who have abused the high trusts confided to their keeping.

In conclusion, Senators, I beg to assure you that in the future, as in the past, I shall strive to discharge my duties with such fairness and impartiality as will convince you, that I have at least endeavored to merit your approbation and in order to make my task an easy and pleasant one, I bespeak your generous co operation in enforcing the rules made for our government, and now, invoking the blessings of the Great Law Maker upon all our deliberations, and praying that harmony and good will may prevail amongst us, I announce that we are ready to proceed with the public business.

The roll was called and the following Senators came forward and were qualified, viz: R. K. Speed, J. C. Skinner, L. C. Latham, E. J. Warren, J. W. Beasley, N. B. Bellamy, J. McCotter, L. F. Battle, H. F. Lehman, R. W. King, W. A. Allen, G. W. Price, Chas. McClammy, J. D. Currie, R. M. Norment, W. C. Troy, C. T. Murphy, L. R. Waddell, C. H. Brogden, L. P. Olds, J. W. Graham, G. Albright, J. A. Gilmer, J. M. Worth, A. J. Dargan, H. C. Jones, V. Mauney, W. M. Robbins, F. C. Robbins, S. Adams, E. Crowell, G. M. Whitesides, W. R. Council, W. W. Fleming, W. L. Love Moore, of Carteret, C. L. Cook and J. Merrimon—28.

Mr. R. W. Lassiter, of Granville, presented his credentials.

Mr. Graham stated that he was informed that the seat of the Senator from Granville would be contested, and moved to lay his credentials on the table until the parties who claim the seat have an opportunity to be heard. The motion was discussed at some length and was lost. The Senator came forward and was qualified.

Mr. W. A. Smith presented his credentials, when Mr. Graham made the same motion, though this case was of a different character from the other. (This being one of the insurrectionary counties whose citizens were all insurgents.)

After some discussion the Senator was allowed to withdraw his credentials.

On motion the Senate agreed to go into the election of officers, to wit:

PRINCIPAL CLERK.

Mr Graham nominated W. L Saunders of Orange, and Mr. Moore of Carteret, nominated A. H. Dowell of Buncombe. Whole number of votes cast, 38, of which Mr. Saunders received 29 and Mr. Dowell 9. Mr. S. was declared duly elected.

ASSISTANT CLERK.

Mr. Albright nominated H. A. London, Jr., of Chatham and Mr. King nominated J. U. L. Harris of Wake. Whole number of votes cast, 38, of which Mr. London received 29 and Mr. Harris 7. Mr. L. was declared duly elected.

PRINCIPAL DOORKEEPER.

Mr. Allen nominated J. J. Roberson of Craven. Mr. Beasley nominated J. T. Ball of Wake. Whole number of votes cast, 39, of which Mr. Roberson received 29 and Mr. Ball 9. Mr. R. was declared duly elected.

On motion of Mr. Graham, the Senate adjourned until to-morrow morning at 10 o'clock.

On motion of Mr. Sparrow, the House then adjourned until to-morrow morning at 10 o'clock.

THE PRESIDENTIAL PROSPECT.

THE New York *Herald* has an article going to show that the Republican party is on the road to ruin. It gives the following exhibit of the division of the States between the two parties, as indicated in the results of this year's or the latest State election:

DEMOCRATIC. States.	Electoral Votes.	REPUBLICAN. States.	Electoral Votes.
Alabama	8	Illinois	16
Arkansas	5	Iowa	8
California	5	Kansas	7
Connecticut	6	Louisiana	7
Delaware	3	Maine	7
Florida	3	Massachusetts	12
Georgia	9	Michigan	8
Indiana	13	Minnesota	4
Kentucky	11	Nebraska	3
Maryland	7	New Hampshire	5
Missouri	11	New Jersey	7
Nevada	3	Ohio	21
New York	33	Pennsylvania	26
North Carolina	9	Rhode Island	4
Oregon	3	South Carolina	6
Tennessee	10	Vermont	5
Virginia	10	Wisconsin	6
West Virginia	5		
Total	154	Total	148

"Here we have all the States but two—Mississippi and Texas—the one giving seven electoral votes and the other six, the seven being hardly more positively good for the Republicans than the six are for the Democrats. It thus appears, then, that from our latest elections the Presidential electoral vote of the United States is Democratic."

The *Herald* says "this exhibit is startling." The real truth of the case is much more startling. States are set down as Republican in the above which the Radicals cannot possibly carry. Pennsylvania, with her twenty-six electoral votes, gave a small majority at her October election, in the Congressional districts, for the Democrats, and if the gain goes on there for another year as it has done in the past year, the Democratic majority will be from 25,000 to 30,000. Take her twenty-six votes off and put them in the other column, and the result is one hundred and eighty Democratic electoral votes to one hundred and twenty-two Republican. Democratic majority, fifty-six.

But then New Jersey, New Hampshire, Illinois, and Wisconsin, with thirty-four electoral votes, are all of them States the Democrats would contest with fair hopes of success. In Illinois they have just gained 46,000 in a year, and a very slight flow of the same current makes the State firmly Democratic. New Jersey was lost by personal squabbles, and will be recaptured at the Presidential election. In short, the showing for the Republicans is a great deal worse than appears from the hasty statement in the *Herald*.—*Wash. Patriot.*

The 250th anniversary of the landing of the pilgrims will be observed at Plymouth, Mass., on the 21st December. The President has been invited to attend; won't Ashley go?

Senator Schurz called at the White House in Washington, on the 17th, and sent in his card but was refused an audience, or interview with the President. The President seems to be a little sore on the subject of the Missouri election.

Address R. V. Pierce, M. D., Buffalo, N. Y., and get a pamphlet on Catarrh free, or send sixty cents and get Dr. Sage's Catarrh Remedy. $500 reward is offered by the proprietor for a case of Catarrh which he cannot cure. Sold by druggists.

"SPALDING'S GLUE," useful in every house.

THE ORDER OF THE DAY.—A general order for *Sozodont*. In the *teeth of all opposition* it has become the supreme destrifice of the age.

No impurity can infest the teeth cleansed daily with *Sozodont*. *Quillay*, the bark of the Chilian Soap Tree, an article which possesses cleansing properties superior to those of any other known substance, is one of the ingredients of this peerless compound. *Sozodont* is the only dentrifice in existence in which this salubrious botanical product is incorporated.

The Democratic gains, in Illinois, says, the Chicago *Times*, amount to over 41,000. The Democrats have a majority of five or six in the House of Representatives. The *Times* further says that the division of parties will be such as almost certainly to insure the election of Judge Lawrence to the U. S. Senate.

Ladies' Meeting.—We are requested to announce a meeting of all the ladies who desire to assist in making arrangements in relation to the Lee Memorial Ceremonies, at Tucker Hall this (Tuesday) morning at 11 o'clock.

We understand that the object of this meeting is to make provision for suitable floral decorations, &c.

Be sure to read the new advertisements to-day.

Change of Programme.—The Lee Memorial.—We would call particular attention to the change of Programme for the Lee Memorial Observance, to-morrow.—Tucker Hall, instead of Peace Institute, is designated for the exercises, and the Procession will be formed in front of the Executive Mansion. We presume that the Legislature will adjourn in time to co-operate in the demonstration. The occasion will, doubtless, be an imposing one. Gov. Vance is in the City.

An Appeal for the Poor.—At the Churches in this city, on Sunday last, notices were given out of a meeting of the Young Men's Christian Association, at the session room of the Presbyterian Church, this (Tuesday) evening; at the same time urging the punctual attendance of the members of the Association, and others friendly to its work and object.

It is a well known fact to every housekeeper in the city, that there are a number of worthy indigent people among us—reduced to extreme poverty by disease, death in their families or losses in various ways—who are willing to do all they can to feed and clothe themselves, but from want of work, or the strength to perform it, cannot, unaided, procure the comforts or even the necessaries of life, during the winter months. Some of these can get along in the summer, but when the cold winter pinches; when the wild summer fruits are gone, and they are compelled to have wood and warmer clothing, they can not meet the contingency, and must suffer and, in many instances, perish, unless charitable aid come to their rescue.

We know our people are disposed to do what they can to relieve the sufferings of the class we have alluded to; but unfortunately, for want of proper information, their alms are often withheld lest they be unworthily bestowed, or actually bestowed upon unworthy objects.

To systematize and energize the charity of our people, and direct it in proper channels, is the object of the Young Men's Christian Association. The advantages of such an agency, especially in a city, are obvious. They can by aggregating the contributions designed for the poor, procure the means of relief, such as wood, provisions *etc.*, at lower rates than could by individual givers, or by the receivers, when money is given them. We are assured now, that the Association, if it had the means, could procure a supply of two or three hundred cords of wood at half the price it is selling at by retail in the city. This they can do through the liberality of the Railroad Companies.

Another advantage is, that the officers and agents of the Association, (who give their services to the work without pay,) take the pains to inform themselves of the actual condition of applicants for charity—their wants and necessities, as well as the grounds of their claims, and thus guard the charitable against the imposition of worthless, lazy street beggars, who adopt begging as a means to avoid work, or to procure the means of gratifying their thirst for whisky.

The Association has heretofore, and will continue to be, managed by Christian gentlemen of integrity and discretion—men who impartially apply the means placed at their disposal, for the general relief of the suffering within the range of their operations. They have, in the past, done much good, but their work is a never ceasing one; so long as poverty and want afflict the unfortunate, so long must the work of charity be continued. What has been contributed in past seasons, has been expended in the relief of suffering then existing.—Further means are necessary for the relief of present and prospective suffering.

We have, very briefly, tried to show that the Young Men's Christian Association is an excellent agency for rendering effective the alms of the charitably disposed; but the Association must have the active co-operation of the entire community. Those who can do so ought to enrol themselves as members of it, and thus make themselves personally intersted in its operations and success. We therefore call to the recollection of our readers, the notice of the meeting to-night. The duty of fostering and encouraging a wise and systematic charity devolves upon all, as a *duty*, hence we indulge the hope that there will be an active awakening on this subject, which shall result in great good to the unfortunate among us, but in greater good to those who are blessed with the means and the *will* to relieve them.

Those who cannot actively engage in the work of the Association, can help by such contributions as they may be able to give.

"When the old robin red-breast shall visit your cots,
And the icicles hang at your door;
When your bowl smokes with something reviving and hot,
Then you ought to remember the poor."

CHANGE OF PROGRAMME!

LEE-MEMORIAL OBSERVANCE.

The Committee of Arrangements, designated at the public meeting of our citizens held some time since, have adopted the following programme for the Memorial Observance, to be celebrated on Wednesday next, the 23rd inst., in honor of Gen. Robert Edward Lee, the Patriot Hero. It is designed that the commemoration shall be worthy of the memory of the illustrious man, and it is earnestly desired that it may be participated in by a grateful people, with all the solemnities and emphasis suitable to the occasion. Let it be a fit expression of the sentiments, the admiration and the sorrow of the Capitol of the State!

We desire, particularly, to call attention to the proposition to raise funds for a monument to the departed Chieftain, and to express the hope that the suggestion of the Committee will be heartily and generally seconded.

THE PROCESSION

Will form at 11 o'clock, in front of the Executive Mansion, at the foot of Fayetteville Street, and will march thence to Tucker Hall, where the exercises will take place. The following will be the order of Procession:

Music.
Chief Marshal and Assistants.
Soldiers of the late C. S. Army.
Clergy.
Eulogist, attended by Committee of Arrangements.
State Officials, and Members of the Senate and House of Representatives, headed by their Presiding Officers.
City Officials.
Masonic Fraternity.
Independent Order of Odd Fellows.
Friends of Temperance.
City Fire Companies.
Children of the various Sunday Schools.
Citizens.

All who join in the procession are requested to wear a black crape rosette, with white ribbon or some other appropriate badge.

The Bells of the city will be tolled during the Memorial services.

It is earnestly desired that all business be suspended during the exercises, and that such emblems of mourning, as may be deemed appropriate by the occupants, be displayed from the stores and dwellings.

The following will be the order of exercises:

1. Dirge by the Band.
2. Hymn.
3. Prayer by Rev. Drury Lacy, Chaplain.
4. Reading of a Poem written for the occasion by Mrs. Fanny Downing.
5. Eulogy, by Hon. Z. B. VANCE.
6. Dirge by the Band.
7. Singing.
8. Benediction.

Gen. Wm. R. Cox, Chief Marshal.

Maj. B. C. Manly, Maj. R. S. Tucker, Capt. W. Hal Harrison, S. G. Ryan, Wm. Stronach. } Assistants.

If the weather should unfortunately prove too inclement for a Procession, the people are requested to assemble at 12 o'clock, at Tucker Hall.

The ladies of the Memorial Association are requested to take charge of the decoration of the Hall.

It is contemplated to afford the people an opportunity of contributing to the erection of a memorial monument to GEN. LEE, in the Confederate Cemetery. To that end, boxes will be provided on the occasion, and it is earnestly hoped that this appeal will be liberally responded to.

An Old Friend.—We had the pleasure, on Saturday, of taking by the hand our old and highly esteemed friend, D. W. Courts, Esq., formerly State Treasurer of North Carolina. On looking upon his honest, North Carolina countenance, we could not help calling to mind the years he sat in the Treasurer's office on an old crippled arm chair, before sofas and fine carpets became fashionable there, and took good care of the people's money.

Mr. Courts is now engaged in the insurance business, and seems as happy and hearty as he was twenty years ago.

Prof. W. J. Palmer.—This gentleman who arrived from Bellville, Canada, a few days ago, was presented on Sunday morning last with a large and handsome Photograph Album by the Raleigh Baptist Sabbath School, as a memento of their regard for one who had for upwards of ten years past served them faithfully as Superintendent. The presentation was made by Rev. Dr. Pritchard in the presence of the assbled school, and was feelingly responded to by Dr. Palmer. Dr. P. was not aware what was in store for him until he was called on to receive the gift, and such a surprise must have added to the pleasure he experienced in accepting the handsome testimonial from his friends.

Dr. Palmer is admirably qualified, both by nature and education, to be a teacher of youth, and his departure from the State is a subject of general regret.

The people of Bellville and also the managers of the institution over which he is called to preside, may congratulate themselves in securing the services of such a competent Principal, and in having added to their population a fine type of the Southern gentleman and a genial son of the good old North State.

Hook and Ladder Company.—The members of this Company are requested to meet promptly at their room, to-morrow, Wednesday, Nov. 23, at 10½ o'clock, to join the procession in honor of the memory of Gen. Lee.

Members are reminded of their adjourned meeting this evening at 7½ o'clock at Fireman's Hall.

Meeting To night. Don't forget the Conservative meeting at the Court House to-night. Let every one tell his neighbor of the meeting and all come to hear many able speeches that will be made.

We hope to see every Conservative and Democrat in the city and township present, and if the Court House proves too small for the crowd we will adjourn to some place that will hold them, if it takes all out doors. There will be no brass band to toot up a crowd—come at the ringing of the bell.

The *Standard* says our meeting is to be *Thursday* night, but don't be deceived by it—the meeting is *this, Tuesday*, night.

Go it.—The Rads had another ratification meeting last night, at Metropolitan Hall. Among others Windy Billy made a speech, in which he said: "If there be any colored man here who intends to vote the Democratic ticket, let him raise his right hand." Whereupon several hands went up, and a shout was raised in the camp. Windy changed the subject and asked for no more such demonstrations. We can tell him that a great many colored men are going to vote the Democratic ticket next Saturday; he may rely on that.

The teachers and children of the Methodist Sabbath School are requested to meet at the Baptist Church, this (Tuesday) afternoon at 4 o'clock.

Our last Friday's mail made its appearance last night. We were glad to see it looking so well after such long and fatiguing travel.

Give Your Name.—We have received a marriage notice from Ridgeway without a responsible name; we would publish the marriage with pleasure, but can't do it without a responsible name as assurance that there is no trick about it.

The Masonic Fraternity of this city, are requested to convene at the Masonic Hall, to morrow (Wednesday) morning, at 10 o'clock, preparatory to participating in the memorial ceremonies in honor of Gen. Robert E. Lee.

All masons, members of Lodges who can attend, are fraternally invited to be present.

Meeting.—We are requested to state that the members of Rescue Steam Fire Engine Company, will meet promptly, in full uniform, at their Engine House on Wednesday morning at 10½ o'clock.

DIED,

In this City, Monday November 21st at 5 o'clock A. M., Theodore Partridge Johnson. The funeral services will take place from the residence of Miss Sophia Partridge, to-day at 3 o'clock P. M. The friends and acquaintances of the family are invited to attend without further notice.

Sometime since an announcement extraordinary was made by the Sentinel, man, that he knew of twelve orders having been given our Milliners in one day for Bridal Bonnets, and expressed some surprise at the number &c.

Our friend Moore was not in the secret. I propose now to tell him and every body else, that it was not surprising at all.

Every one of these happy Bridegrooms were patrons of Pink C. Hardie, and purchased their Cigars and Tobacco of him, which imparted a fragrance to the breath which was perfectly irresistable. Sozodont is no where.

Every body knows what a horrible scent is imparted by a horrible Cigar or Chew, "such as I dont keep" and no one discovers it sooner than the ladies.

Now a word to all who contemplate matrimony. Be wise in time and give no occasion for your rejection by purchasing your Cigars and Tobacco from

WASHINGTON.

Washington, Nov. 21—It is intimated, semi-officially, that Russia and Prussia will invite the United States to a Congress of the Powers on the naturalization and navigation questions and make her co-operation and consent important if not necessary.

FOREIGN.

London, Nov. 21.—It is rumored to-day that Von Der Tann is relieved.

The *Independent Belge* in a despondent article on the Eastern question, expresses fears that war is inevitable and that the Great Powers will have their armies in the field before January.

Brussels, Nov 21.—The Belgian troops are recalled to the positions they occupied before the war. The frontier of Hanover is still well guarded.

Tours Nov 21.—Bourbaki goes to Nevers to take command of the army corps. It is reported here that Napoleon has written letters to the members of the Provisional Government urging continued resistance to any proposition ceding territory.

St. Petersburg, Nov. 21.—The *Borsen Zeitung* says that Turkey has assented to the annulment of certain stipulations of the Paris treaty. The war feeling is ardent throughout the Russian empire. Ignatief, returns to Constantinople with full and particular instructions from the imperial government at Vienna. The excitement concerning the Eastern question continues unabated. Official circles believe that at least the moral weight of the United States will be thrown in favor of Russia.

The London *Post* denies that Italy has refused to join England and Austria in opposition to Russian pretensions.

The *Politik*, the Sclavonian organ says, the Sclaves are utterly opposed to a war with Russia. Other journals say the entire Sclave race sympathize with Russia's designs.

The London *Times* city article of this morning intimates that the restoration of Napoleon is on the cards.

WASHINGTON

Washington, Nov. 21.—The United States Circuit Court, at Springfield Illinois, sustains the ruling of the Commissioner of Internal Revenue that bonds issued by towns or cities to aid in the construction of railways, are liable to stamp tax the same as promissory notes.

NEW YORK.

New York, Nov. 21.—The *World's* special London correspondent, writing from the German headquarters gives important information concerning the movements against the army of the Loire. The Bavarians are moving from Fontainbleau towards which point Frederick Charles is hastening by forced marches.

The Duke of Mecklenburg reports the enemy as having just defiled towards Chateau Dun and Chartres and are pushing forward to occupy Dreux.

Gen D'Aurrelles is doing much in order to deliver the Capital by placing the army of the besiegers between two fires. The situation is equally critical on the German side at this moment. The French army is falling back on its reserves, recasting the army of Prince Frederick Charles. A junction from Paris combined with an attack in the rear at Versailles, is daily expected.

The Parisians yesterday were attempting to erect bridges over the Seine to be used in case of a sortie, but have not yet succeeded.

Gen. Von Moltke seems to think that the consequences of a sortie would be extremely serious. Last night the personal baggage of the King was packed up in readiness for instant flight and the same precaution will be taken to-night.

The Duke of Mecklenburg has asked for further instructions, saying he cannot hold his position in the face of the greater strength of the army of the Loire.

Von Moltke says that no troops can possibly be spared from the army around Paris, and the Duke must fall back until he meets the army of Frederick Charles. The junction is expected to-night between his advance and the Duke's rear at Rambouillet.

The French troops occupying Mantes-Sur-Seine, Dreux and Verdun, are not portions of the army of the Loire, but are detachments of Bourbaki's army of the north.

All this information admirably supplements the news received in London to-day.

The Prussian dispatch announcing the actions of the 18th at Chatteau Dun and Chatteau Neuf, was erroneous. The only action was fought that day at Chatteau Dun, where a severe engagement took place, resulting at first in the repulse of the French. The Prussian cavalry were subsequently supported by the arrival of two divisions. This makes it clear that D'Aurelles is still moving with his right and his left resting Orleans.

Great care is taken to conceal D'Aurelles plans, but I state on high authority that he is amusing the Duke of Mecklenburg with a portion of his army, while he is moving with the bulk of his force, not less than 150,000 men, northward to form a junction with Keratry, coming from the west; and with Bourbaki coming from the northeast. They will then move on Paris with their combined armies, which will be under the command of Gambetta and D'Aurelles. Bourbaki, leaving behind him large reserves, is moving forward with 65,000 perfectly armed and trained troops. Keratry has fifty thousand.

When these armies effect a junction the number of troops will not be less than 265,000 besides their reserves, and 100,000 of the army of the Loire entrenched at Orleans and holding a line extending North of Chateau Dun and Chartres.

A part of Frederick Charles' army has established communication with the Duke of Mecklenburg, between stampe and Fontainbleau. The whole force of the former will probably effect a junction on the 23rd. The united strength of his forces will then be 140,000 men.

The strategy of D'Aurelles has drawn them considerably to the South where he confronts them with an entrenched army of equal number, while with the main body of 265,000 men, he moves on Versailles from the West.

FOREIGN.

London, Nov. 21.—Odo Russell arrived at Versailles on Sunday night, hence the story of the Manchester *Examiner*, touching Bismarck's denial of an understanding with Russia about the Baltic Sea.

THE MOST VIGOROUS AND PROGRESSIVE COMPANY IN THE WORLD.

The Equitable

LIFE ASSURANCE SOCIETY OF THE UNITED STATES

120 BROADWAY, NEW YORK.

BURROUGHS & SPRINGS,

GENERAL AGENTS,

CHARLOTTE, N. C.

TWENTY-ONE REASONS FOR PREFERRING THIS COMPANY TO ALL OTHERS.

1. Its cash assets are upwards of $13,500,000.00 and constantly increasing.
2. None of this is made up of promissory notes as in many Companies.
3. Its cash income per annum is over $6,500,000.00 and steadily growing larger.
4. None of this is composed of the notes-of-hand of policy holders, as the case in many companies.
5. It has paid to widows and orphans, and other claimants under policies on deceased members, about $4 000,000.
6. Such payments are made in cash, and not partly in cancelled notes, as is the case in many companies.
7. No deductions are made from the face of a policy for premium notes when it becomes a claim, as is the case in all Note Companies.
8. The sum of $3,500,000, and upwards, in cash divided among policy-holders, (this included the dividend for the present year), as profits of the business.
9. All the profits of the business are annually divided among the assured. Equitably, instead of being wholly or partially distributed among the stockholders, as is the case in all "Mixed" and "Proprietary" Companies.
10. Dividends are invariably available as cash in payment of premiums.
11. The dividends are made from the start and not postponed until after the lapse of several years, as in many Companies.
12. The Society deals Equitably with its policy-holders.
13. The Equitable has made more progress since its organization than any other Life Company in the world.
14. Its risks have been so carefully selected and its dealings so equitable, that it has never been obliged to contest the payment of a claim at law.
15. Its modes of applying dividends are more numerous and more advantageous than those of any other company in the world.
16. It issues all the popular styles of policy, including "Ten Year Non-Forfeiting" and "Endowment policies."
17. The amount of new business during the year ending "December, 1, 1869, was $51,031,141.00.
18. Its policies average larger in amount than those of any other company, showing that capitalists select the Equitable for purposes of investment.
19. The profits of the business are apportioned to the assured on the "Contribution Plan," which is conceded to be the only equitable mode of division; and not by the mode adopted by many companies, which is grossly unjust to a large proportion of the policy-holders.
20. It is as liberal in the conduct of its business as is consistent with safety to the assured, and does not exercise proper caution to an ambition to increase the nominal amount of its business as is the case with many new companies.
21. It is the favorite company in the United States, as is shown by its new business for last year, being nearly $13,000 000 greater than any other company.

Dr. A. Young's

Bronchial Syrup.

This *Bronchial Syrup* is a safe and certain remedy for *Scrofula* in many of its varying forms. Its effects are speedy and permanent. It cures rapidly Coughs, Colds, Croup, Bronchitis, Asthma, Consumption in its early stages, Dyspepsia, Loss of Appetite, General Debility, &c.

This preparation is perfectly harmless, never producing any unpleasant symptoms on the slightest injury to the tone of the most delicate stomach. Its results are Tonic and Invigorating, giving a good and healthy appetite. It is compounded of fresh and unadulterated materials which, from their combination, exercise an alterative influence over the entire system. This Medicine is active in its action upon the Air Passages, curing Coughs, Colds, Croup, Asthma, and Bronchitis, Incipient Consumption, and also upon the Alimentary Canal, stimulating and strengthening its action, and driving out that Hydra-headed monster, Dyspepsia.

It has been tested by large numbers of persons, and has invariably given relief and satisfaction. It is also prescribed by many prominent physicians in this State.

Among those who have tested it and testified to its efficacy, we mention Rev. J. H. Daly, M. Q. Waddell, Esq. Rev. J. B. Babbitt, Gov. Holden, Rev. W. R. Wills, Rev. T. H. Jones, A. B. Hawkins, M. D., Rev. C. B. Riddick, Bishop D. S. Doggett, Bishop G. F. Pearce, Ex-Gov. Al. Bomther, Rev. Dr. Cheshire, Rev. R. B. Sutton, Hon. A. W. Venable, Bishop Davis of S. C., Rev. N. F. NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN THE WORLD!!

No more Exploded Cans!—No more Exploded Lamps!
No more Smoke!—No more Grease!
No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected; was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

NATIONAL LIFE INSURANCE CO., U. S. A.

For the Central and Northern Counties in
NORTH CAROLINA.

The NATIONAL, under the management of his father, P. F. Pescud, Sr., secured very many warm friends who obtained policies for large amounts, and the fact that it has issued upwards of

10.000 POLICIES,

and nearly doubled its immense Capital of $1,000 000

in about two years, speaks more for its wonderful popularity than any language at my command. The rates being based on the Stock Plan, and when contrasted with Mutual Cash rates, are so much lower, that a certain and handsome dividend is secured from the date of the Policy.

I will be gratified to take applications from my friends and all wanting Policies, and shall want many active and reliable Agents, in the fields assigned me.

FOR THE IMPROVED

"UTLEY COTTON PRESS."

THE "UTLEY PRESS" So well known, and which gave entire satisfaction last season, can be obtained of me at Raleigh, or my Agents, Messrs. Mitchell, Allen & Co., Newbern, with its improvements.

Price $175.00.

This invention of power, whereby all friction is overcome, its simplicity, economy and durability, astonishes all who see it; and the more so, that a power so simple should have remained so long unappropriated. The strain is wholly borne by the Bed Plate, Follower Block, and two 1¼ inch square iron bars, which is capable of sustaining a strain of 190,000 lbs. Thus giving much more strength than is required. WITH THIS PRESS TWO MEN CAN PUT A BALE OF COTTON WITH EASE IN EIGHT MINUTES WEIGHING FROM 400 to 550 lbs.

One man can do the work, only requiring longer time.

It occupies a very small space, and can be so placed as to receive the lint direct from the Gin or Lint Room, as may be desired. Thus doing away with baskets, and frequent handling of the lint.

It is light in weight, can be taken down or put up in 30 minutes and transported on a two Horse Wagon.

I believe it unequalled by any Press for power, convenience and durability.

Press complete—Depth Cotton Box 8 feet · Size Bale 4½ feet x26x28x30in; wt. Bale 400 to 550 lbs.

MR. THOMAS H. BRIGGS: Dear Sir:—Yours of 13th instant inquiring as to the merits of the "Utley Cotton Press" is to hand, and in reply I would say that I have tried other Presses and consider the *plan upon which the Utley Press works* cheaper, simpler and more durable than any I have met with.

Yours very respectfully,

BENEFIT LIFE INSURANCE COMPANY

OF NEW YORK.

Cash Assets over $1,500,000,

ISSUES ALL FORMS OF NON-FORFEITABLE WHOLE LIFE AND ENDOWMENT POLICIES on the Mutual Cash Plan, declaring Dividens annually after the first annual premium paid. Assets exclusively Cash with no portion of its reserve fund in premium notes, consequently its "reserve" is stronger than that of any Company doing business in this State. No "*Deferred surrender values guaranteed*" as an inducement to new business, but reference is made to the average amount, paid on each surrendered policy as shown by New York Insurance Reports, 1869 to evidence of having paid larger surrender values, than has been given under a minimum "Definite Cash Surrender Value." *Death losses* have not occurred, out of *several hundred policyholders* in this State, which fact must establish the better ability of the Company, to pay larger dividends than Companies having an excessive mortality, the result of a selection of bad risks. "*Profits*" *Dividends* are not declared, but *Dividends* are given from the actual surplus, in accordance with the Company's Charter. The attention of the public is invited to the following comparison of cost, demonstrating the advantages over ordinary insurances, of the

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks,*—upon which elements of administration the security of a Life Insurance Corporation *depends.*

The laws of New York *compel* Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*

Insurers, in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.
